## AMERICAN ZETTLER • [WWW.AZETTLER.COM](http://WWW.AZETTLER.COM)

**AZ943** 15A "Sugar Cube" relay, SPST & SPDT option, DC coil and Class F insulation available

**AZ7709T** 10A @ 250VAC 100k cycles 85C rating, SPST, 4kV dielectric strength and Class F insulation available

**AZ9043** 10A switching capacity, SPST & SPDT, 4kV dielectric strength and Class F insulation available

**AZ2150** 40A switching capacity, SPST & SPDT, 25+ various UL ratings and Class F insulation available

**AZ2850** 40A @ 277VAC 30k cycles, DPST & DPDT, AC & DC coils, 4kV dielectric strength and Class F standard

## ZETTLER MAGNETICS • [WWW.ZETTLERMAGNETICS.COM](http://WWW.ZETTLERMAGNETICS.COM)

**AHRV** Customizable 20VA-100VA chassis mount transformers with 12V & 24V outputs

**AH** Low frequency, split bobbin transformers with single or dual inputs and offered in 1VA to 20VA options

**AMXC** Customizable 56VA encapsulated transformers for higher power demands

**BV** Compact, low frequency, encapsulated, UL class II transformers ideal for applications under 5VA

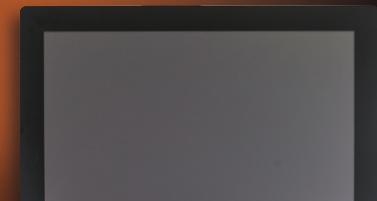

**ZP / HP** Plug & Play, UL recognized AC-DC Power Supplies, 1 Watt to 20 Watt options

**XZM** High frequency ferrite transformers for discreet power supply designs

## AZ DISPLAYS • [WWW.AZDISPLAYS.COM](http://WWW.AZDISPLAYS.COM)

**ATM**

(TFT LCD) 1.77" – 10.1": PCAP Touch & High bright options available

**Custom Options**

Cover Glass, Silk Printing, Optical Bonding, & Segmented LCD
